Project Title: Landowner Groundwater Recharge and Banking Project

Project Applicant: Cawelo Water District

Project Location (include county): Near Famoso Kern County, California

**Project Description:**

The District proposes a local Landowner recharge/banking project to provide Landowners within the District with a direct groundwater banking opportunity. The District may also bank District water in Landowner recharge facilities to support increased flexibility in meeting water demands, while protecting groundwater levels and quality within the District. The District would not conduct any construction activities under the proposed project.

This is to advise that the Cawelo Water District has approved the above
