PROJECT TITLE: Operation of Calwest Rain-Kerman- New Well 2 Project (Project)

LEAD AGENCY: State Water Resources Control Board

CONTACT PERSON: Jose Robledo **PHONE NUMBER:** (559) 447-3300

PROJECT LOCATION: 4939 North Madera Avenue in Kerman within Fresno County.

PROJECT DESCRIPTION: Calwest Rain-Kerman proposes to a operate a point of entry dibromochloropropane treatment system to treat water for their office building. The existing constructed system would route water through granulated activated carbon (GAC) for water treatment, a softener to remove hard minerals, and six feet of two-inch piping that connects the components to the existing system. The GAC media for treatment will be replaced by Culligan as it is exhausted. Calwest Rain-Kerman also proposes to operate Well 2, a 100-gallon per minute, 360-foot well, a newly installed three-HP submersible pump, a chlorination system, and four 85-gallon tanks. The well replaces a 100-gallon per minute agricultural well that was previously unpermitted and used for drinking water. Water will be pumped through existing piping and one hundred and sixty-two feet of new piping, less than four inches in diameter, that was recently installed to connect the well and tanks to the rest of the system.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: This is to advise that the State Water Resources Control Board (State Water Board) has determined that the Project is exempt from the California Environmental Quality Act and has issued a drinking water supply permit for the operation of the above described Project. A record of permit issuance for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Categorical Exemption Status:

\boxtimes	Class 1 Existing Facilities						
	(California Code of Regulations,	Title 14,	Division 6	, Chapter 3,	Article 19,	Section	15301)

Reason why Project is exempt: The Project is the operation of an existing facility and construction of the facility is complete, (Class 1(b)).
