**COUNTY OF LAKE
NOTICE OF INTENT
TO ADOPT A MITIGATED NEGATIVE DECLARATION**

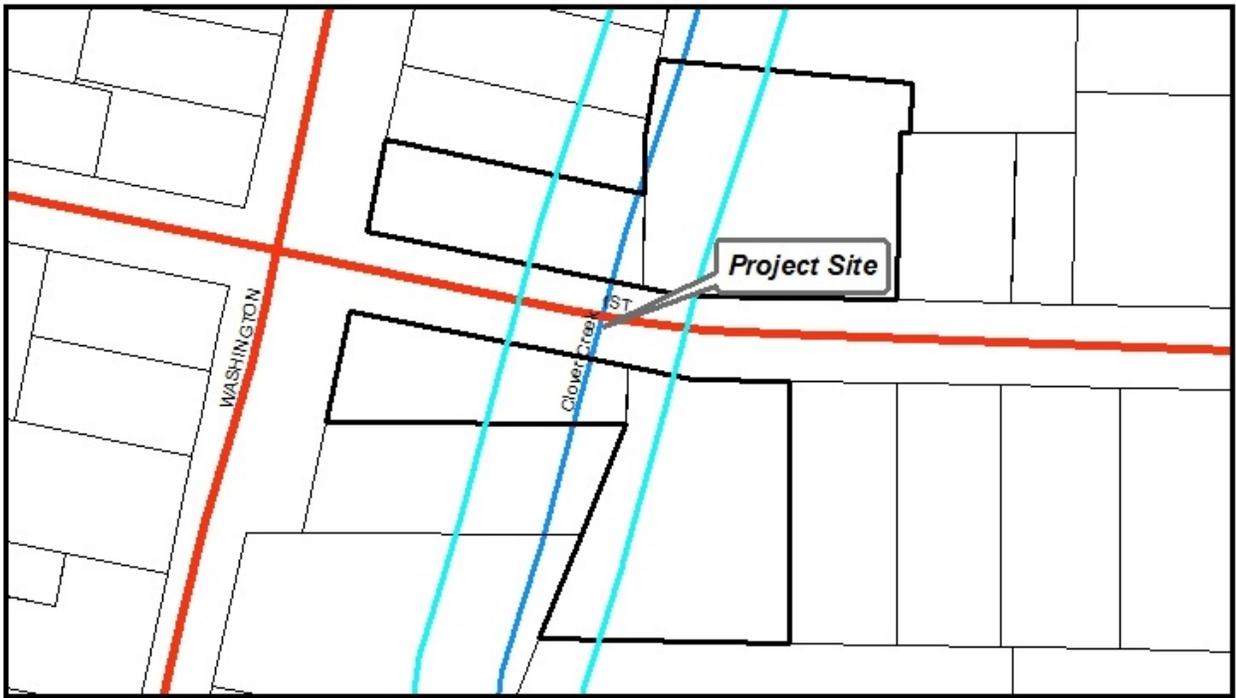

Project Title: Clover Creek Bridge (Bridge No. 14C-0015) Replacement on First Street; Federal Project No. BRLO-5914 (079); General Plan Conformity (GPC 12-10) and Initial Study (IS 12-27)

Project Location: Clover Creek Bridge at First Street, 300 feet west of Main Street, Upper Lake, CA; County of Lake Road Right-of-Way; Upper Lake
USGS Quadrangle, Section 7, Township 15N, Range 9W

Associated APN No.: 027-195-09, 027-196-011, 027-197-051 & 027-221-11

Project Description: The County of Lake Public Works Department, in cooperation with the Federal Highway Administration (FHWA) and the California Department of Transportation (Caltrans) is proposing to replace Bridge No. 14C-0015, located on First Street approximately 0.1 miles east of Main Street, near the community of Upper Lake. The project site is located in a residential setting and is closely bordered by fencing associated with residential development. The existing bridge is made of concrete that was recently rated as too narrow and is considered “functionally obsolete” based on the California Department Transportation’s (Caltrans) Structure Inventory and Appraisal Report. The primary objective is to replace the existing bridge with a new structure that meets current design and safety standards, improves public safety, and provides long term value for the County. The existing channel appears to have a good alignment with the current bridge configuration. The proposed replacement structure is a three 12' X 8' cell cast-in-place reinforced concrete box culvert and will typically slightly longer than the existing bridge.

The public review period for the respective proposed Mitigated Negative Declaration based on Initial Study IS 12-27 will begin on November 9, 2020 and end on December 12, 2020. You are encouraged to submit written comments regarding the proposed Mitigated Negative Declaration. You may do so by submitting written comments to the Planning Division prior to the end of the review period. Copies of the application, environmental documents, and all reference documents associated with the project are available for review through the **Community Development Department, Planning Division; telephone (707) 263-2221**. Written comments may be submitted to the Planning Division or via email at sateur.ham@lakecountyca.gov.
