RESOLUTION NO. 21-005

OF BOARD OF DIRECTORS OF ALAMEDA COUNTY WATER DISTRICT
ADOPTING A MITIGATED NEGATIVE DECLARATION AND MITIGATION
MONITORING AND REPORTING PROGRAM, AND APPROVING THE
DRISCOLL ROAD MAIN RENEWAL PROJECT AND DIRECTING THE
FILING OF A NOTICE OF DETERMINATION

WHEREAS, the ALAMEDA COUNTY WATER DISTRICT (District) has included the Driscoll Road Main Renewal Project (Project) in the District's Capital Improvement Program;

WHEREAS, the District has prepared an Initial Study of the potential environmental impacts of the Project, and found that the Project would not have a significant effect on the environment because specified mitigation measures had been incorporated into the Project;

WHEREAS, the District gave public notice of the Initial Study and of its intention to adopt a Mitigated Negative Declaration, including a 30-day public review period which ended January 8, 2021;

WHEREAS, two comment letters were received by the District during the public review period; and

WHEREAS, pursuant to the requirements of 14 CCR Section 15074, the District has considered the Initial Study and the proposed Mitigated Negative Declaration and the Mitigation Monitoring and Reporting Program;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Alameda County Water District as follows:

1. The Board of Directors finds on the basis of the whole record, including the Initial Study, staff report, comments, and responses to the Public Review Draft Initial Study/Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program, that there is no substantial evidence that the Project will have a significant effect on the environment and that the Mitigated Negative Declaration reflects the District's independent judgment and analysis.

2. The Board of Directors adopts the Mitigated Negative Declaration for the Project because, to the extent a potentially significant adverse impact to the environment was identified in the Initial Study, specified mitigation measures have been incorporated into the Project to reduce those impacts to a less than significant level.
3. The Board of Directors specifies that the Secretary of the District is the custodian of the documents and other materials that constitute the record of proceedings upon which the decision to adopt the Mitigated Negative Declaration is based and that such documents will be located at the District's business office, 43885 South Grimmer Boulevard, Fremont, California, 94538.
4. The Board of Directors adopts and commits to implementing all mitigation measures and mitigation monitoring procedures included in the Mitigation Monitoring and Reporting Program.
5. The Board of Directors hereby approves implementation of the Project and directs the General Manager to file a Notice of Determination with the Alameda County Clerk and the California Office of Planning and Research within five working days from the date this resolution is adopted.

PASSED AND ADOPTED this 11th day of February 2021, by the following vote:
