Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number EPIMS-SON-17086-R3, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Erich Pearson. This Agreement covers the following project activities: 1) installation of a new septic line within the fill prism of a stream crossing used to access cannabis cultivation areas, and 2) replacement/upgrade of the culverted stream crossing used for cannabis cultivation access with a bridge design. An existing 60-inch stream crossing culvert over an unnamed watercourse is undersized and will be upgraded based on a bridge design that allows passage of 100-year stream flow and does not impede fish or aquatic life passage up or downstream. This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on September 30, 2021 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i): 1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
