Project Decription (Proposed actions, location, and/or conseque	ences).
The County is updating the Housing Element of the General Plate Element is one of the seven required elements of the County of California Government Code, beginning at Section 65583. Gene Element every eight years. The Housing Element serves as a post the unincorporated areas of Los Angeles County (unincorporate ensure decent, safe, sanitary, and affordable housing for cur including those with special needs. The County is required to elementies and appropriate development standards, in the unincorporate including housing need, also known as the Regional Housing Newscale in the Regional H	f Los Angeles General Plan (General Plan) per the perally, State law mandates updates to the Housing policy guide to address the comprehensive housing needs rated areas). The primary focus of the Housing Element is trent and future residents of the unincorporated areas, insure the availability of residential sites, at adequate proporated areas to accommodate its fair share of the

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The County has not prepared an Initial Study and will instead begin work directly on the Program Environmental Impact Report (PEIR). The PEIR will focus on the potentially significant effects of the project, discuss any effects found not to be significant and will assess the direct, indirect, and cumulative impacts, as well as growth-inducing effects. The PEIR will include an evaluation of the following environmental issues: Aesthetics, Agriculture and Forestry Resources, Air Quality, Biological Resources, Cultural Resources, Energy, Geology / Soils, Greenhouse Gas Emissions, Hazards and Hazardous Materials, Hydrology / Water Quality, Land Use and Planning, Mineral Resources, Noise, Population / Housing, Public Services, Recreation, Transportation, Tribal Cultural Resources, Utilities and Service Systems, and Wildfire.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.	
No known areas of controversy to date.	
Provide a list of the responsible or trustee agencies for the project.
