Enforcement Case Documents

This web page provides case documents associated with pending enforcement actions by the San Francisco Bay Water Board which assess monetary fines in the form of administrative civil liabilities and mandatory minimum penalties. The following links provide direct access to these case documents and to early settlement offers for late annual reports of storm water discharges:

- **Current Administrative Civil Liability Cases** An Administrative Civil Liability Fact Sheet and the Water Boards Supplemental Environmental Project Policy are attached to Administrative Civil Liability Complaints when distributed. Links to these standard documents for each case are provided here for reference.
 - [Administrative Civil Liability Fact Sheet](#)
 - [Supplemental Environmental Project Policy](#)
- **Current Expedited Payment Program for Late Reports Cases**

A summary of information for each of the enforcement cases listed below and the current status of these cases with regard to opportunities for providing comments can be found on the following web page: [Pending Enforcement Liabilities & Penalties](#).

Pending Enforcement Liabilities & Penalties

This web page provides a summary of enforcement cases that are pending action by the San Francisco Bay Water Board to assess an administrative civil liability or a mandatory minimum penalty. To access documents associated with each case go to [Enforcement Case Documents](#) or click on the DISCHARGER/RESPONSIBLE PARTY

- [Tentative Cease and Desist Orders](#)
- [Current Administrative Civil Liability Cases](#)
- [Current Mandatory Minimum Penalty Cases](#)
- [Current Expedited Payment Program for Late Reports](#)

For more information on our enforcement procedures and process, go to our [Enforcement](#) program web page.

Tentative Cease and Desist Orders

A cease and desist order is being considered for the Stevens Creek Quarry, Inc., Cupertino Quarry in the City of Cupertino, Santa Clara County. The cease and desist order would require actions to address foreseeable non-compliance with the draft NPDES permit also being considered for discharges from the Cupertino Quarry. To access the draft permit and cease and desist order, go to [Tentative Orders](#).

Current Administrative Civil Liability Cases

Discharger or Responsible Party: [Stuart and Eric Depper](#)

Alleged Violation: Failure to submit technical reports.

Proposed Penalty: \$88,000

Current Status: An Administrative Civil Liability Complaint and a Site Cleanup Requirement have been issued; Remediation of the site is in progress and there will be a future opportunity to comment on a settlement or attend a public hearing regarding this case.

Current Status: Administrative civil liability order issued; proposed penalty imposed.

Discharger or Responsible Party: [Lennar Homes of California, LLC](#)

Alleged Violation: Unauthorized discharge of 148,000 gallons of domestic sewage to waters of the United States.

Proposed Penalty: \$212,300

Current Status: A proposed settlement agreement and stipulated order has been issued; the public comment period is open until March 30, 2022, by 5:00 p.m.

Current Mandatory Minimum Penalty Cases

- There are currently no pending cases

Current Expedited Payment Program for Late Reports

- There are currently no pending cases
