Project Title: Airport Bike Path Bridge Replacement (Capital Project # 50307)

Project Location – General: Chico, Butte County

Project Location - Specific: The project site is located on an existing Class I bike path on a former railroad grade entirely within the City public right-of-way at the Airport Bike Path bridge crossing over Pleasant Valley Ditch (between East Lassen Avenue and Burnap Avenue) (APN 007-170-015).

Description of Project: The project consists of the replacement of the existing approximately 30-foot long Airport Bike Path bridge over the Pleasant Valley Ditch with a new 31-foot long by 14-foot wide, clear-span bicycle/pedestrian bridge. The bridge was recently destroyed by a fire leaving the well-traveled bike path impassable to pedestrians and bicyclists. Work to be completed will consist of removal of the destroyed bridge, installation of the new bridge infrastructure, minor excavation, engineered soil backfill and rock slope protection placement, and minor grading.

Name of Public Agency Approving Project: City of Chico

Name of Person Carrying Out Project: Brendan Ottoboni – Director of Public Works Engineering

Exempt Status: (Check One)

- ☐ Ministerial
- ☐ Declared Emergency (Sec. 21080(b)(3);15269(a);
- ☐ Emergency Project (Sec. 21080(b)(4);15269(b)(c);
- ☒ Categorical Exemption. Class 2, Section 15302 (a) (Replacement or Reconstruction)
- ☐ Statutory Exemptions.

Reasons Why Project is Exempt: The project consists of replacing an existing bridge structure with a new clear span bicycle/pedestrian bridge. The project involves no increase in capacity and serves built-out land uses. There are no unusual circumstances leading to a reasonable possibility that significant environmental impacts will result from the project. Therefore, the City finds that the project is exempt from the California Environmental Quality Act (CEQA) in accordance with CEQA Section 15302 (a).
