This memorandum is to notify the Office of Planning and Research State Clearinghouse (SCH) of an amendment to the Notice of Exemption (NOE), SCH Number 2021030552, that was filed at the SCH on March 24, 2021. The NOE was filed for funding agreement No. D1917012, project titled “Technical Assistance to implement the Safe and Affordable Drinking Water Fund (Project)”, originally executed on March 15, 2021, between Self-Help Enterprises (SHE) and the State Water Board. The purpose of the Project is to support the human right to water by assisting small and disadvantaged communities with drinking water projects in SHE’s service area. The original executed agreement identified the following counties as SHE’s service area: Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare counties.

An amendment to the funding agreement was executed between SHE and the State Water Board on March 7, 2023, to include San Joaquin County as part of SHE’s service area.
