Solar Energy Project – Carver Elementary School Project Title	
19200 Ely Avenue Project Location - Specific	
Cerritos	Los Angeles
Project Location – City	Project Location – County
at Carver ES. Two solar energy structures would existing hardcourts and Structure B in the turf field 2). The solar structures would be a minimum of beams supporting array panels. Structure A would angle, and Structure B would consist of 192 PV r connect to an existing electrical equipment box/p the campus to the west via approximately 613 fee disturbance. (see Figure 2). The solar system wou (kW). The project would also provide underground Installation of car chargers require additional fundamental community will benefit from a reduction in	be constructed, Structure A in the northwestern corner of the area, approximately 200 feet north of Structure A (see Figure 10-foot high and would be comprised of metal columns and consist of 162 photo-voltaic (PV) modules tilted at a 7-degree modules tilted at 7 degrees angle. The solar structures would oint of interconnection next to school buildings in the front of the total total total total total direct current (DC) system size of 148.68 kilowatts are conduit for installation of car chargers in the future. However, ding and would not be installed at this time. The District and energy consumption and reduced energy costs.
Description of Nature, Purpose, and Beneficiaries of Project ABC Unified School District	
Name of Public Agency Approving Project	
ABC Unified School District Name of Person or Agency Carrying Out Project	

CEQA: California Environmental Quality Act

Exempt Status: (check one below) Ministerial (Sec. 21080(b)(1); 15268); Declared Emergency (Sec. 21080(b)(3); 15269(a)); Emergency Project (Sec. 21080(b)(4); 15269(b)(c)); Categorical Exemption. State type and section number: Categorical Exemption. State type and section number: §15301 Class 1, Existing Facilities, §15303 Class 3, New Construction or Conversion of Small Structures, §15314 Class 14, Minor Addition to Schools Statutory Exemptions. State code number: The project involves the construction of solar energy arrays on elevated structures. The proposed solar panels will not result in an increase in student capacity or an expansion of existing use. No off-campus improvements will occur. Existing use of the facility as an elementary school will stay the same under the proposed project. Therefore, the project is exempt from CEQA under Sections 15301, 15303, and 15314. The proposed project was also reviewed for possible exceptions under Section 15300.2 and found that the exceptions do not apply. See Attachment to Notice of Exemption for further explanation of the evaluation, which is available at the ABC Unified School District Office, 16700 Norwalk Blvd, Cerritos, CA 90703. Reasons why project is exempt 1. Attach certified document of exemption findings 2. Has a Notice of Exemption been filed by the public agency approving Yes No the project Date Received for 3/2 0/21 //	CEQA: California Environmental Quality Act
