Project Description: (please use a separate page if necessary) A Tentative Subdivision Map to divide an approximately 18.9-acre property into 18 lots (ranging in size from 1.01 to 1.19 acres). The project is proposed as a phased map. Phase I proposes eight (8) lots and Phase II proposes ten (10) lots. Access to the two phases will be served by a cul-de-sac, served off of Nord Avenue. The project's internal roads will be offered for dedication to the County and will be maintained as part of a Permanent Road Division (PRD). Future residential uses would be served by individual septic systems and individual wells.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
