RE: 2021080203 NOE Withdrawn

To Whom this may concern:

Tulare County Resource Management Agency (RMA) respectfully requests that the Notice of Exemption (NOE) for the CDFA Bee Safe Program July 1, 2021 – June 30, 2021 (SCH2021080203), be withdrawn from CEQAnet. RMA inadvertently submitted the NOE to the County Clerk and uploaded to the CEQAnet on August 11, 2021. The NOE that was filed and published was intended for the Fish and Wildlife Projects FY 2021/2022. RMA staff recognized the inadvertency and requested that the County Clerk remove the posting on August 16, 2021. The County Clerk subsequently removed the NOE and voided the California Department of Fish and Wildlife filing receipt (see attached). The NOE for the Fish and Wildlife project was approved by the Tulare County Board of Supervisors, August 10, 2021, and filed with the County Clerk on August 17, 2021. The NOE for the Fish and Wildlife Project was submitted and published on CEQAnet, on August 17, 2021.
