<b>LEAD CITY AGENCY AND ADDRESS:</b> City of Los Angeles, Department of Public Works, Bureau of Engineering 1149 S. Broadway, Suite 600, MS-939, Los Angeles, CA 90015-2213		<b>COUNCIL DISTRICT</b> All
<b>PROJECT TITLE (INCLUDING ITS COMMON NAME, IF ANY)</b> Sidewalk and Transit Amenities Program (STAP)		<b>CASE NO.</b> Council File Nos. 20-1536 and 20-1536-S2
<b>PROJECT DESCRIPTION AND LOCATION:</b> The Project involves the replacement of the current Coordinated Street Furniture Program (CSFP) with the Sidewalk and Transit Amenities Program (STAP), throughout the City. The STAP would be implemented by the Bureau of Street Services (StreetsLA) and would install and upgrade transit shelters and associated amenities to provide shelter, shade, safety, and comfort to the City's transit riders, active transportation users, and pedestrians. Approximately 3,583 transit shelters/shade structures and sidewalk amenities would be provided under STAP. Construction of the transit shelters under STAP would occur over a 3-year time span, from 2023-2025 under the most aggressive installation schedule but may occur over a longer period of time upwards of 6 years (2023 to 2028). The Project includes the approval of a contract between the City and a commercial partner (Tranzito-Vector, LLC) to provide operations and maintenance of the transit shelters for 10 years with 2 potential 5-year extensions, in accordance with the agreements with the City. In addition, the Project includes changes to Los Angeles Municipal Code (LAMC) Sections 67.01 and 67.02, which would modify the type of advertising structures allowed in the public right-of-way, in order to effectuate portions of the STAP and potentially authorize the consideration of other projects in the future (estimated at approximately 500 foreseeable sidewalk locations).
