General Plan: Agricultural Zoning: A-2 Exclusive Agricultural, A-1 General Agricultural

Project Description: (please use a separate page if necessary)

CUP20-013 would allow the expansion of the existing dairy to house 9,750 animals, an increase of 1,700 over existing. The project includes construction of approximately 195,678 sq ft of new support buildings. All construction would occur within the existing footprint; there would be no change in cropped acreage associated with the farm.
