## State Water Resources Control Board

December 29, 2021

Christine Asiata Rodriguez  
State Clearinghouse  
1400 10<sup>th</sup> Street  
Sacramento, CA 95814

Dear Ms. Christine Asiata Rodriguez,

The State Water Resources Control Board, Division of Drinking Water erroneously posted a Notice of Exemption for an existing Sonoma County Water Agency project (SCH 2021060426) as a new project (SCH 2021100101). They also posted a different document than the NOE. The error was caught, and the Notice of Exemption was posted to the correct project SCH No. 2021060426.

Sincerely,

Wendy Pierce  
Senior Environmental Scientist
