Project Description: (please use a separate page if necessary)

Proposed Tentative Subdivision Map to subdivide 17.6-acres into fifteen (15) lots for future single-family residential development, consistent with the Very Low Density Residential (VLDR) zone. The 15 residential lots will range in size from 1.08 to 1.33 acres and average 1.17 acres. New lots will access directly off a new road connection between Speedway Avenue and Entler Avenue. Individual, onsite septic systems will provide wastewater disposal for each lot. A public water system (California Water Service) will provide potable water to each of the lots.
