

Homegrown Habitat Plant List 2019

Aug 16 2022

| | A | B | C | D | E | F | G | STATE CLEARINGHOUSE |
|----|-----------|---|--------------------------------------|------------|----------|-------|---------|--|
| | Bloom | Common Name | Scientific Name | Life Cycle | Height | WUCOL | Sun | Notes |
| 1 | Early | Western Redbud | <i>Cercis occidentalis</i> | P | 10'-20' | L | S/PS | Drought-tolerant; also tolerates semi-riparian conditions |
| 2 | | Red Willow | <i>Salix laevigata</i> | P | 30'-50' | H | FS | Wetland-semi riparian; tolerates clay soils; fast grower, semi-deciduous |
| 3 | | Arroyo Willow | <i>Salix lasiolepis</i> | P | 7'-35' | H | FS | Likes marshes/wet areas; spreads by root runners; deciduous |
| 4 | | Sandbar Willow | <i>Salix exigua</i> | P | 10'-23' | H | FS | Constant moisture; spreads by basal shoots to any moisture |
| 5 | | Valley Oak | <i>Quercus lobata</i> | P | 60'-100' | L | FS | Fast growing (20' in 5 years); drought tolerant |
| 6 | | Scrub Oak | <i>Quercus berberidifolia</i> | P | 15'-20' | L | FS/PS | Smaller, drought tolerant, likes medium fast drainage |
| 7 | | Buck Brush | <i>Ceanothus cuneatus</i> | P | 5'-12' | VL | FS | Needs fast drainage; fast to moderate growth, evergreen |
| 8 | | California Everlasting | <i>Psuedognaphalium californicum</i> | P | 3' | VL/L | FS | Semi deciduous, may like some afternoon shade in summer |
| 9 | | California Blackberry | <i>Rubus ursinus</i> | P | 6' | M/H | FS/PS/S | Requires substantial moisture, wide spreading |
| 10 | | Dutchmans Pipe | <i>Aristolochia californica</i> | P | 20' | L/M | S/PS | Deciduous vine, grows in moist woods along streams |
| 11 | | Baby Blue Eyes | <i>Nemophila menziesii</i> | A | .25' | L | FS/PS | Annual herb |
| 12 | | Chinese Houses | <i>Collinsia heterophylla</i> | A | .5' | M | S/PS | Annual purple flowering herb, good in containers |
| 13 | | Lacy Phacelia | <i>Phacelia tanacetifolia</i> | A | 3' | VL/L | FS | Tolerates clay soils; good plant for biological pest control |
| 14 | | Miners Lettuce | <i>Claytonia perfoliata</i> | A | 1.3' | L/M | PS | Edible spreading annual herb; in the valley, does best in part shade |
| 15 | | | | | | | | |
| 16 | | | | | | | | |
| 17 | Early-Mid | Blue Elderberry | <i>Sambucus nigra var. cerulea</i> | P | 20'-30' | M | FS | Easy to grow, fast growing deciduous shrub/tree; host plant for endangered Valley Elderberry Longhorn Beetle |
| 18 | | Interior Live Oak | <i>Quercus wislizenii</i> | P | 15'-50' | VL | S/PS | Medium to large evergreen, moderate grower |
| 19 | | Blue Oak | <i>Quercus douglasii</i> | P | 16'-82' | VL | FS/PS | Slow grower deciduous, supports many species |
| 20 | | Toyon | <i>Heteromeles arbutifolia</i> | P | 12' | L | FS/PS | Evergreen shrub easy to grow, white flowers early summer, red berries in fall |
| 21 | | Shining Willow | <i>Salix lasiandra</i> | P | 3'-30' | M/H | FS/PS | Winter deciduous riparian plant, good for restoration projects |
| 22 | | Mountain Mahogany | <i>Cercocarpus betuloides</i> | P | 8'-20' | VL/L | FS/PS | In the valley this plant will do better with PM shade |
| 23 | | Hollyleaf Redberry | <i>Rhamnus ilicifolia</i> | P | 9' | L | PS | PM shade in the valley, siting is critical for success |
| 24 | | California Broom/Deerwe | <i>Acmsipon glaber</i> | P | 3' | VL | FS | Not too showy subshrub with high habitat value |
| 25 | | Skunkbush, Fragrant Sum | <i>Rhus aromatica</i> | P | 8' | L | FS/PS | Winter deciduous shrub, may like PM shade in valley |
| 26 | | Chaparral Honeysuckle | <i>Lonicera interrupta (hispida)</i> | P | | VL/L | FS/PS | Hardy, woody chaparral shrub/vine, summer flowering, edible/bitter berries |
| 27 | | Silver Bush Lupine | <i>Lupinus albifrons</i> | P | 3' | L | FS/PS | Requires good drainage, PM shade in valley |
| 28 | | Foothill Penstemon | <i>Penstemon heterophyllus</i> | P | 5' | L | FS/PS | Perennial evergreen herb. May need pm shade in valley |
| 29 | | Sonoma Sage | <i>Salvia sonomensis</i> | P | 1.3' | VL | PS | Moderately drought tolerant if given part shade |
| 30 | | Purple Needlegrass | <i>Stipa pulchra</i> | P | 3' | VL/L | FS | CA state grass, perennial with deep roots |
| 31 | | California Poppy | <i>Eschscholzia californica</i> | A | .5' | VL/L | FS | CA State flower, tolerates clay soil, readily reseeds |
| 32 | | Elegant Clarkia | <i>Clarkia unguiculata</i> | A | .5' | L | FS/PS | Showy pink flowers, reseeds readily |
| 33 | | Globe Gilia | <i>Gilia capitata</i> | A | 1' | L/M | FS | Showy pink to lavender flowers |
| 34 | | Miniature Lupine | <i>Lupinus bicolor</i> | A | 1.3' | L | FS | Showy purple and white flowers, plant with CA poppies |
| 35 | | Sky Lupine | <i>Lupinus nanus</i> | A | 2' | L | FS | Chaparral annual herb |

Homegrown Habitat Plant List 2019

| | A | B | C | D | E | F | G | H |
|----|-----------------|--|--|------------|---------|-------|---------|--|
| | Bloom | Common Name | Scientific Name | Life Cycle | Height | WUCOL | Sun | Notes |
| 36 | | | | | | | | |
| 37 | Mid | California Buckwheat | <i>Eriogonum fasciculatum</i> | P | 2.5' | VL/L | FS | Tough, easy to grow, prefer good drainage |
| 38 | | Hoary Coffeberry | <i>Frangula californica</i> var <i>tomei</i> | P | 20' | L | FS/PS | May prefer PM shade in valley |
| 39 | | California Wildrose | <i>Rosa californica</i> | P | 8' | M | FS/PS | Tolerates clay soils; drought-tolerant; spreads through underground runners |
| 40 | | California Wild Grape | <i>Vitis californica</i> | P | 10'-40' | L/M | FS/PS | Common along rivers and streams, winter deciduous |
| 41 | | Common Yarrow | <i>Achillea millefolium</i> | P | 3' | L-H | FS/PS | Looks best with regular water; semi deciduous in drier conditions; can be aggressive |
| 42 | | Coyote Mint | <i>Monardella villosa</i> | P | 2' | L | PS/S | Requires good drainage, needs PM shade in the valley |
| 43 | | Showy Milkweed | <i>Asclepias speciosa</i> | P | 5' | L/M | FS | Tolerates clay soils; spreads through underground rhizomes |
| 44 | | Imbricate Phacelia | <i>Phacelia imbricata</i> | P | 1' | L | FS/PS | Perennial herb; tolerates clay soil; can re-seed |
| 45 | | Woolly Sunflower | <i>Eriophyllum lanatum</i> | P | 2' | L | FS/PS | Summer semi-deciduous; can be extremely drought-tolerant |
| 46 | | Nude Buckwheat | <i>Eriogonum nudum</i> | P | 6' | L | FS | Summer semi-deciduous; leafless stems |
| 47 | | Blue Wild Rye | <i>Elymus glaucus</i> | P | 5' | L | FS/PS | Popular accent grass for gardens; summer semi-deciduous |
| 48 | | Deergrass | <i>Muhlenbergia rigens</i> | P | 5' | L | FS | Attractive bunch grass; easy to grow; grows in most soils |
| 49 | | Fleabane Daisy | <i>Erigeron foliosus</i> | P | 3.3' | L | PS | |
| 50 | | Lippia | <i>Phyla nodiflora</i> | P | 6" | L | FS/PS | Flowering ground cover; spreads rapidly |
| 51 | | Spider Lupine | <i>Lupinus benthamii</i> | A | 2.3' | VL | FS | |
| 52 | | Seep Monkeyflower | <i>Erythranthe guttata</i> | A | 5' | M/H | FS/PS | Aquatic annual plant; good in ponds or rain gardens |
| 53 | | | | | | | | |
| 54 | Mid-Late | Narrowleaf Milkweed | <i>Asclepias fascicularis</i> | P | 1.5' | M | FS | Not showy; tolerates clay; host to Monarchs |
| 55 | | Virgin's Bower | <i>Clematis ligusticifolia</i> | P | 30' | L/M | PS/SH | vine; showy white flowers; summer deciduous; part shade to shade |
| 56 | | Hooker's Evening Primros | <i>Oenothera elata</i> | P | 5' | M-H | FS/PS | Wetland-riparian but still drought tolerant; reseeds aggressively |
| 57 | | California Fuchsia | <i>Epilobium canum</i> | P | 3' | L | FS | Hummingbird favorite; spreads; cut back in winter |
| 58 | | Gumplant | <i>Grindelia camporum</i> | P | 4' | L | FS | Tolerates most soils; can be cut back in winter |
| 59 | | Snowberry | <i>Symphoricarpos albus</i> | P | 6' | L | PS/SH | Moist shady areas; winter deciduous; spreads by rhizomes |
| 60 | | Slender Woolly Buckwhe | <i>Eriogonum gracile</i> | A | 5' | EL/VL | FS/PS | Small annual; tolerates most soils; winter semi-deciduous |
| 61 | | Common Madia | <i>Madia elegans</i> | A | 7' | L | FS/PS | Annual herb; showy yellow flowers; tolerates many soils |
| 62 | | Common Sunflower | <i>Helianthus annuus</i> | A | 5' | M | FS | Tolerates most soils; can get very large |
| 63 | | | | | | | | |
| 64 | Late | California Aster | <i>Symphyotrichum chilense</i> | P | 5' | VL/L | FS/PS | Tolerates clay soil; winter deciduous; cut back in winter; aggressive spreader |
| 65 | | California Goldenrod | <i>Solidago californica</i> | P | 3' | VL/M | FS/PS/S | Easy to grow; for late color plant with <i>Epilobium canum</i> ; spreader |
| 66 | | Sulphur Buckwheat | <i>Eriogonum umbellatum</i> | P | 7' | VL/M | FS | Showy yellow flowers; variable plant; evergreen |
| 67 | | Bee Plant | <i>Scrophularia californica</i> | P | 4' | L | PS | Strong bee attractant; tolerates most soils; needs good drainage |
| 68 | | Coyote Brush | <i>Baccharis pilularis</i> | P | 10' | VL/L | FS/PS | Tour easy to grow shrub; variable forms; blooms into winter |
| 69 | | Rubber Rubberbrush | <i>Ericameria nauseosa</i> | P | 9' | L | FS | Needs good drainage; summer/fall bloom |
| 70 | | Vinegarweed | <i>Trichostema lanceolatum</i> | A | 1' | L | FS | Does not do well in seed mixes; sow individually; tolerates dry clay soils |
