**Present Land Use/Zoning/General Plan Designation:**

**Project Description:** (please use a separate page if necessary)

The City is proposing amendments to the Circulation Diagram in the General Plan Mobility Element to incorporate geometries identified in the Pioneer Bluff and Stone Lock Reuse Master Plan, the Washington Realized Sustainable Community Strategy, and the Bridge District Specific Plan, including change in designation to a Local Road, new Collectors, extensions to Collectors, new intersections, change in designation to a Low Access Control Arterial, and adding one missing Arterial. The new C Street Bridge ( I Street Bridge replacement) and Broadway Bridge are also included in the updated Circulation Diagram.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

### Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
