## VINA PLAINS 2 REHABILITATION PROJECT

**NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION PURSUANT TO CEQA; NOTICE OF PUBLIC MEETING**

### What is Planned

Caltrans proposes to rehabilitate State Route 99 between the Butte County Line and the community of Los Molinos, post mile 0.0 to 12.5, Tehama County. The purpose of the project is to restore the facility to a state of good repair so that the roadway would be in a condition that requires minimal maintenance. The project is needed because the pavement within the project limits is in a fair state of repair, requiring ongoing maintenance efforts. Construction is anticipated to be completed in 2025.
