**NOTICE OF INTENT TO ADOPT A
MITIGATED NEGATIVE DECLARATION**

A draft Mitigated Negative Declaration has been prepared by the San Dieguito River Park Joint Powers Authority (JPA) for the project listed below:

SUBJECT: OSUNA SEGMENT OF THE COAST TO CREST TRAIL, to construct a bridge and 1-mile-long segment of the San Dieguito River Park Coast to Crest Trail in the Fairbanks Ranch area of San Diego, California.

The JPA has conducted an environmental assessment of the subject project pursuant to the California Environmental Quality Act (CEQA) and prepared an Initial Study. The recommended finding is that the project will not have a significant effect on the environment because mitigation measures have been incorporated into the project to avoid any significant environmental effects. Therefore, a Mitigated Negative Declaration will be recommended for adoption by the San Dieguito River Park JPA. The draft Mitigated Negative Declaration, Initial Study, and supporting documents may be viewed or downloaded online at the JPA's website, [click here to access](#), or reviewed at the office of the San Dieguito River Park JPA, 18372 Sycamore Creek Road, Escondido, CA 92025.

Those who wish to comment on the Mitigated Negative Declaration and Initial Study must do so in writing within the 30-day public review period May 5 - June 5, 2023. Please send your comments to the San Dieguito River Park JPA at the above address or by email to shawna@sdrp.org. The final Mitigated Negative Declaration incorporating public input will be considered by the San Dieguito River Park JPA Board of Directors at a future public meeting.

For more information regarding the project or environmental review, please contact Shawna Anderson at (858) 674-2275, ext. 13.
