Project Title: Valley Boulevard Widening Project

Project Applicant: City of Meniffee

Project Location: The project is located in the City of Meniffee, Riverside County, along Valley Boulevard, a north-south arterial road that provides access through the northwestern portion of the City, between Chambers Avenue and Murrieta Road and extend the roadway through two existing gaps, providing local residents with one continuous route. Valley Boulevard is currently a two-lane undivided road with unstriped shoulders and sidewalks on one side of the road within the project vicinity.

Project Description: The City of Meniffee (City) proposes to widen the existing Valley Boulevard roadway between Chambers Avenue and Murrieta Road and extend the roadway through two existing gaps, providing local residents with one continuous route. The project will widen Valley Boulevard from a two-lane road to a four-lane facility between Chambers Avenue and Murrieta Road. The project will include raised medians, turn lanes, and seven new traffic signals at major intersections. Additionally, the project will enhance and complete the multi-modal network by constructing sidewalks and bike lanes on both sides of the roadway. Existing pavement will be rehabilitated throughout the Project Area, while existing curb ramps and sidewalks will be improved as needed.

THIS IS TO ADVISE that the City of Meniffee Planning Commission, as the lead agency, adopted a Mitigated Negative Declaration on June 28, 2023, and filed and posted a Notice of Determination with the County of Riverside, Clerk of the Board of Supervisors on June 29, 2023, making the following determinations regarding the above described project:

1. The project ☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
☒ A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA, and this Mitigated Negative Declaration is adequate for this approval. See, e.g., CEQA Guidelines § 15162.
3. Mitigation measures ☒ were ☐ were not] made a condition of the approval of the project.
4. A Mitigation Reporting or Monitoring Plan ☒ was ☐ was not] adopted for this project.
5. A Statement of Overriding Considerations ☐ was ☒ was not] adopted for this project.
6. Findings ☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration, is available for review at:

The City of Meniffee Community Development Department, 29844 Haun Road, Meniffee, CA 92586.
