Subject: SCH# 2023050476 Removal of Accidental Attachment

Dear, California State Clearing House Representative

On May 5th, 2023 I created and uploaded the NOE Gazette Roof replacement (SCH#2023054076), with it the attachment 13788_RT_Hazmat Shed NOE 730-335-20220209 was unintentionally uploaded. After I noticed the error, I created an addition to SCH# 2023050476 on June 1st 2023 as a new upload, including the proper attachment 13772_CSHP_Gazette Roof Replacement NOE 730-307-20230124. I wish to remove the posting from May 5th, 2023 with the incorrect attachment as it contains information from another project not pertaining to the posting and may cause confusion to any member of the public that may be attempting to review the project.

If any further clarification is needed feel free to contact me at 209-768-2492, or by email at Andrew.Collum@parks.ca.gov

Sincerely,

Andrew Collum
